

DO YOU EVER WONDER HOW
COMMON PEOPLE LIVED IN THE PAST?

MASTERCLASS

Have you ever heard of the pharaohs? What do you know about ancient Egypt? Have you ever met a National Geographic Explorer?

Join us and witness 2,000 years of history come to life through the eyes of a **National Geographic Explorer**. Learn how an archeologist becomes a storyteller, observing and recreating the past to learn about our present and to help forge our future.

FOR TEENAGERS

Join our special virtual **Masterclass** for students from all of Latin America with our academic specialist:

J A I R F É L I X

JUNE
10
